

Certificate

The German Association of Chemical Trade and Distribution (Verband Chemiehandel), Große Neugasse 6, 50667 Köln, herewith confirms that

Faravelli GmbH
An der Alster 62, 20099 Hamburg

is a member of the programme **Responsible Care / Verantwortliches Handeln im Chemiehandel***.

An independent third party verification of the Self Assessment Questionnaire (element 4 of the programme) confirms that the contents and the formal terms of the programme have been fulfilled.

This confirmation is valid until 06.02.2020.

Cologne, 05.05.2017

U. Klass
(President)

R. Alberti
(Director)

* The programme is available on the website www.vch-online.de →Responsible Care

The German Association of Chemical Trade and Distribution supports the worldwide Responsible Care Initiative based on the partnership agreement between VCH and the German Association of the Chemical Industry (VCI) and the agreement between the European Association of Chemical Distributors FECC and the European Chemical Industry Council CEFIC.
